Good morning Hector- hope you and family had a wonderful Mother's Day celebration.

1- Please keep creating SR for priorities on CARE+ and CARE locations; please update accordingly current rotation at your earliest convenience. SR is the accountability to keep track of achievements. Please let me know if you have any questions or concerns. THANK YOU
2- CARE + /May 15: since first priority 1809 Gower and last priority 1627 Gower are close, can we schedule back to back?

With best regards,

Hi Bladimir,

We'll start getting the SRs.

Also, thanks for asking. I just checked with our team and the 1627 Gower site is a lower priority for us and we'd only want the CARE team to visit that location if all the other sites are addressed first.

Thanks!

Thanks Hector for working on creating SR's.

I will respectfully suggest listing 1627 Gower as the last priority on the CARE Sheet. Checking May 18, Harold Way is the last priority. Please advise. Thanks
